

# Product Bulletin

**Product:** 01111192206 / 10308177 Single Cavity BNC

**Description:** Our Blow Nozzle Cylinders are *Direct-Fit™* to the OEM cylinders. They can be purchased as a complete cylinder ready to install or any individual part of the cylinder. They are manufactured from high strength 7075 series aircraft grade aluminum. We've also included wrench flats on the Piston Shaft for an open end wrench instead of using a pipe wrench. It's these small details that separate our products from others.

**Offering:** Please contact us for pricing and availability.
