

Product Bulletin

Product: 10328083 Pivot Drive Link Assembly S2

Description: XLE offers the connecting links and lever as an assembly to reduce time and the possibility of damaging parts during GUPM rebuilds. All parts are made from alloy steel and quality INA brand bearings are installed. The center pivot pin is drilled on a fixture and the spring pin is installed. This assembly can be purchased as shown and is also included in all of our GUPM Rebuild Kits.

Offering: Please contact us for pricing and availability.
