Product: 10328098 Mold Hold Rebuild Kit Square GUPM S2

Description: XL Engineering offers all components required to rebuild one Square GUPM in a convenient kit. This kit provides an easy to order and stock method when performing rebuilds. An additional benefit of our kit is the assembly of the Pivot Drive. This service saves approximately one half hour of expensive service technicians time. Each kit is individually packaged which offers additional cost reduction in parts and labor.

Offering: Please contact us for pricing and availability.
