

Product Bulletin

Product: Blow Nozzle Cylinder Rebuild

Description: XL Engineering offers rebuilding of all S2 blow nozzle cylinders including; single cavity, dual cavity, and heat set. Each cylinder is marked with a serial number, carefully inspected, and a quote is submitted. Upon receipt of the order the damaged components are replaced, new seals installed and the cylinder is pressure tested.

Offering: Service is available for OEM and PHD® brand single cavity, dual cavity, and heat set cylinders.
