## **Spindle Chain Core Return Policy and Warranty**

### **CORE RETURN**

Upon issuing a purchase order to XL Engineering LLC, Customer agrees to return to XL Engineering LLC a quantity of complete spindle body cores equal to the number of spindle bodies purchased. In the event the spindle body cores are not returned to XL Engineering LLC within 45 (forty-five) days XL Engineering LLC will invoice, and the customer agrees to pay an additional core charge equal to \$150.00 USD per body.

### **SHIPPING**

Product is f.o.b. Dutton, Michigan. Return shipping costs for all cores remain the responsibility of the Customer. Complete spindle body cores must be returned in the same shipping crate provided.

### **WARRANTY**

XL Engineering LLC provides a 6 (six) month warranty on Craftsmanship Labor. XL Engineering LLC warrants its spindle chains to be free from material defects for 24 (twenty four) months. XL Engineering LLC warrants the Carbide Ball Joint to be free from material defects for 36 (thirty six) months. All parts suspected of being from material defects within the 24 (twenty four) or 36 (thirty six) month warranty periods are to be returned to XL Engineering LLC at the purchasers costs for inspection. It will be XL Engineering's sole discretion to repair or replace the subject defect material(s).
